Health Department _____	874-7355

Centralia, Missouri is a great place to call home. Centralia has exceptional schools, a great parks and recreation department that manages 4 parks, a 9 hole golf course, a recreation center and ball fields for softball and baseball. We have a thriving selection of unique retail shops, restaurants and service businesses to meet your needs.

Shopping local for goods and services has never been more important. For every \$1.00 spent at a local small business \$.45 stays in the community. When you shop local your sales tax dollars pay for park improvements, street improvements and public safety.

Shopping local provides you with service beyond what the big city can provide. It is great to walk into a business and have employees know you by name and sometimes even know what you need before you have to ask, because they are your friends and neighbors.

Local merchants support our local organizations and our kids. They are members of boards and local service groups giving of their time and donations to help. So next time you are making a purchase use this directory to find what you need and Purchase with a Purpose and Shop Local!
